

T80Z Fast-Fit electric shower

8 WATER ENTRY POINTS
6 CABLE ENTRY POINTS

Revolutionary Swing-Fit™

LEFT CONNECTION

RIGHT CONNECTION

Triton's revolutionary **Swing-Fit™** terminal block allows left and right hand cable connection. Simply move the terminal block to the side of the unit you require, screw into place and connect. It really is as easy as that!

Unique Swivel-Fit™

LEFT CONNECTION

RIGHT CONNECTION

Triton's unique 180° fully reversible **Swivel-Fit™** water inlet allows left and right hand pipe connection. Simply swivel into place, screw to secure and connect your pipework, making it ideal for replacing existing showers.
